We are looking to sell some of our train cars.

We have a total of 12 cars looking for a home.

Offers welcome, I have them priced at;

- The Babbit wooden box car was hand made in 2005, I purchased it from a man from Australia, $50.00.
- The Robin Hood beer car has metal roller bearing wheels, LGB couplers, $40.00.
- The wooden gondola is a kit build with metal parts and brass wheels, $20.00.
- The Penn box car had metal rollerbearing wheels, LGB couplers, $20.00.
- There are 5 Bachmann log cars, 3 with plastic wheels, 2 with metal wheels all with LGB couplers and real logs and chains, $15.00 each.
- There are 2 kit built log car, with metal wheels and real logs, $15.00 each.
- Hope someone will want them and give them a home
