Meeting Notes

Stu started the meeting off with introductions. He asked everyone to tell us what gives you the most trouble in model railroading. The responses varied from to many projects, electricity fear of, bench work and operation. We had 21 people in attendance. Rich Flammini our Treasurer shared with us the letter he received for the 75 dollar donation to the NMRA. The letter thanked us for the donation and explained how it would help.

Convention

Gary updated us on the 2017 RMR Convention – Animas Rails in Durango, Colorado June 8 -11, 2017. **The Registration Fee goes up 25 dollars on April 1, 2017.** This is not a April Fool Joke. The open car and coach still have seats available. A tour of the new Soundtrax facility is scheduled for Friday at 4:00 PM. The Website is updated has the travel guides on it to order, list of things to do in the area, hotels and discounts. Pleas drop by and check it out.

Tool Time

Larry for tool time talked about how to add sounds to your layout. He had everyone do homework before the presentation. Using speakers and phone how to give your layout the sound of a mill working, sounds from a farm etc. Loop them to play over and over or sounds to simulate a day.

Show and Tell

Dairy was the theme for March 2017. We had 6 submissions this month.

All entries

Show and Tell Continued

We had an American Flyer Dairy car that would toss out milk jugs with power. We had a couple of D & R G refers. We had two different entries of a milk tank car. One had customized decals. Had a milk car.

Clinic

The clinic for March was on lighting. Larry had a PPT, some discs to give out and examples to show of different types of lighting. Larry showed us how to install lighting into a locomotive. We also saw how to go about lighting passenger cars and a caboose.
