## Meeting Notes

Stu started the meeting off with introductions and the next project you have to do. We had 17 people in attendance. Module work is Saturdays starting at 9:00am. Currently doing repairs and scenery work. Rick gave a finance update and we voted to look into prices for purchasing a projector for the club. Larry was going to check on pricing.

## Convention

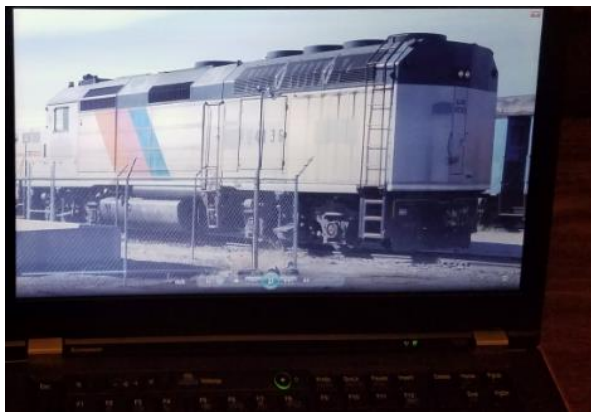

2017 RMR Convention – Animas Rails in Durango, Colorado June 8 -11, 2017. Gary gave an update on how Convention went. 75 people attended. Everything went well. Awards given out and prizes.

## Tool Time

Bob talked about making a tray to slide under the table to hold items, a bag, or trash when working on projects.

## Show and Tell

We had two entries into the Show and Tell.

Larry Stephens' video of a GP40FH-2. Created from an Amtrak GP40. It uses a frame of a GP40

and a Cab from a Burlington Northern F45. Four of the remaining seven are in Alamosa used by the San Louis Rio Grande.

William Boorman brought in a Athern EMD GP60 for the Rio Grande. Was the first engine classified 3<sup>rd</sup> generation. Made from 1985 – 1994.

## Clinic

Kris Blackmarr gave a presentation on Advanced Wood Weathering. File of techniques included in email cover what he showed in the clinic. Had hands on examples.
