Yardmaster

This is a new section. You can email me caspienkronos@yahoo.com things you would like in the monthly Herald. Think of it as Classified ads. If things change please let me know so I can remove it from the following months Herald.

I need an Atlas N scale VO1000 light board and Atlas does not show any available on its website.

My solution---If someone has a VO1000, non-DCC, and would like to make it DCC, I will install a new NCE decoder in it for \$10 (far less than the decoder costs) in return for me keeping the DC light board. While I'm at it, I'll clean and lubricate the mechanism if needed.

If you are interested, please contact me.

Thank you.

Looking for a roommate for the 2018 N Scale Convention in Salt Lake City. I plan on being there Wednesday through Sunday, not sure about Sunday night yet... I'm a non smoker but I do snore. Would prefer someone else who doesn't smoke, but that's all I'm concerned with.

Thanks, Doug Contact me at dmidkiff.mines@gmail.com **Received 11/7/17**
