## Meeting Notes

Stu started the meeting and went around the room doing introductions. Went over upcoming events.

## Modules

Module work is shutdown right now during the winter. The modules were setup and operated at the train show March 3 - 4, 2018. Thanks to all who helped with the setup and teardown. Some pictures will follow in the Trackside Section.

## Tool Time

Bob Rothgery showed how he built a viewing platform and used for people to look at his layout during the tours. Talked about the wood that he used, how he finished it etc. Received positive comments from people on it.

## Show and Tell

The theme was Freelance Railroads.

## Show and Tell continued

Bill provided locomotives from the Grand Central Route.

Stu brought in his freelance train for Boreas. Gave us details on the history.

All the Freelance railroads very interesting.

## Clinic

William Boorman did a presentation on Identification of diesel locomotives. He talked about GE and EMD locomotives, how to identify models from each other. All the way from Trucks, to doors, grills etc. Learned a lot. He presented it at the Train Show too.
