10:00 A.M. in the Durand Union Station, Durand, Michigan

The program will feature Jim Hediger, Editor of Model Railroader Magazine, showing his collection of slides of The Ann Arbor Railroad. We also hope to have a representative of the Great Lakes Central Railroad giving a presentation on current operations and future plans. There will also be a presentation on modeling the Annie, and Henry Burger will continue his historical and photographic presentation on a portion of the Annie. Finally, we will have an open slide show period for those who wish to share their photographs of the Annie.

We are still seeking modelers who will show their efforts at modeling the Annie at the meeting - please call Dave Harrell at 734-995-1311 if you would like more information
