After the meeting we went over to the house of Richard Bloxdorf in Kenosha. He has a huge Lionel layout with more circus equipment on his layout than Don Goeke. He also has a AF layout and a very large Ho layout that resembles the old Milwaukee North Shore line, .your showing your age if you remember that?

It worth seeing this great old layout.. If anybody would ever like to see this Let me know and I'll call Richard. I'm trying to get him to become a member
