COMMENTS:

Since our last newsletter S Fest was well attendant, and more numbers will follow.

Kudus to President Meissner for putting on a great S Fest. The dinner was excellent along with Funny entertainment. Badgerland members should be proud

The entertainment was Steve Lunde. He was a great host and auctioner.

Thanks to Robert Ristow for his presentation about steam locos

Many thanks to Ron Schlicht on making those fantastic table theme decorations that people won and some were auctioned  
I bid on one and have it proudly presented on my layout.

Ron worked very hard on those decorations being disabled a bit with his shoulder operation

Dick Kloes gave a report on the train fest. It seems to me we could have used more folks at the club layout, but that just me. More new improvements were appreciated by many people.

The club "kid" Hi Rail layout by Ron S. looked as great as usual, with a few more new presentations. Many families liked all the moving people and trains . many happy faces!!!!

**Discovery world train show was held in December and was well represented by Badgerland. I'm sure many families enjoyed our layouts**

**Please we need a host for January. Call!!!!**
