

## Geof's Basement G Scale circuit

G Scale on upper level, HOn3 on middle level, HO on lower level

Guards Van on siding is at the ready to add to any train that is about to head out to the back yard.

Trains consist of 4 bogie wagons or 8 four wheel wagons prior to Guards Van and Loco being added.

## Geof's Basement G Scale circuit

G Scale on upper level, HOn3 on middle level, HO on lower level

When not in use, wagons are stored in TUBS below track level as dust and mildew are often present.
