

The BTR “Shay” 2 truck geared Loco

This loco was formerly owned by Bryan Coppock thence Keith Lindsay and now Geof.

It is No. 4

The original Loco that closely resembles the model is ETLC No. 6.

The model is powered by a 3S LiPo battery, it has 2.4GHz R/C, sound card for Chuff and Whistle.

There are many modelers who have also made their versions of this and similar Shay Locos.

The Shay model entered service on BTR on 21 October 2013.
