

You bring us a toy train. We'll bring you a real one.

For one night only, Santa's coming to town by train, collecting for the Southern California Firefighters' Spark of Love Toy Drive.

It's the most brightly decorated train you've ever seen. And it's bringing Santa, caroling, dancing, free cookies, and the chance to help a less fortunate child. Come see Santa when he stops in your area, and bring an unwrapped toy. This year, the best way to get into the holiday spirit is by train.
