You are invited to join the Chicagoland Association of S Gaugers for the Fall S Fest 2023. This will be an exciting weekend of S gauge, 1:64 scale model railroading! The Fest truly encompasses ALL of S: Scale (for both SN3 and Standard gauge devotees), Hi-Rail, Tinplate and American Flyer. Clinics, on-site layouts, a model contest, display tables, home layout tours, movies, a hospitality room; all this and more will once again show the tremendous diversity that S has to offer all of model railroading and toy trains. From collectors to rivet counters, we have something for everyone to enjoy! This November the Fall S Fest is returning to the Chicago area, where it all began. The venue is the easy-to-get-to Georgios Quality Inn & Suites Conference Centre in Orland Park, IL. Come experience the "The Very Best of Everything in S" with fellow S enthusiasts from around the world.
