

**Waterbury once hosted a great rail station (left). That building is now home to the *Waterbury Republican – American* newspaper which, ironically, editorializes against investment in mass transit.**

**These days, here's what passes for a train station in Waterbury...**

**The Waterbury “station” as viewed from the station platform.**

**Passengers in the al fresco  
“waiting room”**

**Waterbury's one-track  
platform.**
