Stevens Point, WI

The Ramada-Stevens Point is graciously hosting the CWMR 2010 Arctic Run Model Railroad event. For those who are not familiar with Stevens Point, the hotel is located across from the Sentry Insurance Company Building that is on the north side of Stevens Point at the junction of Business 51 and 1-39. The facility for our show is over 12000 square feet. The hotel features the new "Tilted-Kilt" a Scottish themed Pub and Eatery, and a very reasonable weekend lodging rate, including complimentary deluxe breakfast, negotiated for our group.

**Space and Table Rental:** "Vendors" tables are reasonable and the space being renting is 5' x 8' - (40 sq. ft). You may use hotel tables or your own rack system. All tables are covered.

Check the enclosed flyer for substantial discounts for your early registration.

**Show Security** is very important to us. We will have "Lock Down" of the auditorium when the show is closed. During set up times, we will have security people, who will be clearly identified, present. Once the public is allowed into the auditorium, each vendor or layout will need to monitor his or her items, however, security will be present during the show.
