

You Are Invited Mt. Quarries RR Anniversary

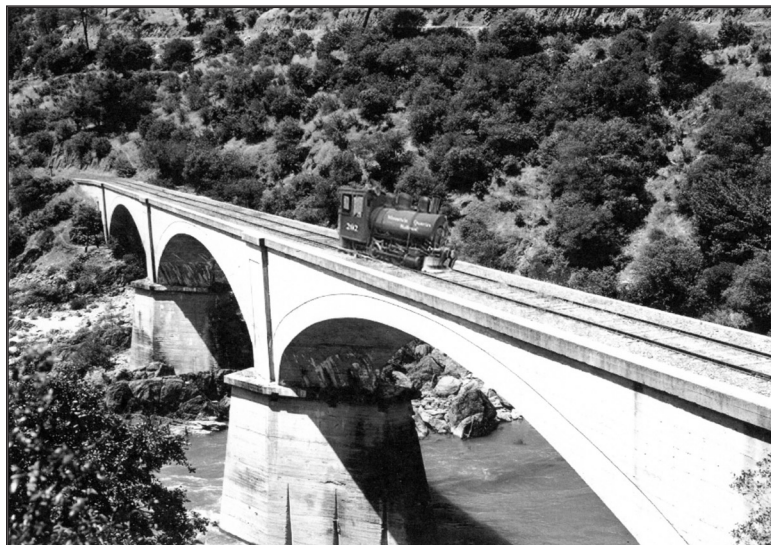

Finale Event - September 29, 2012

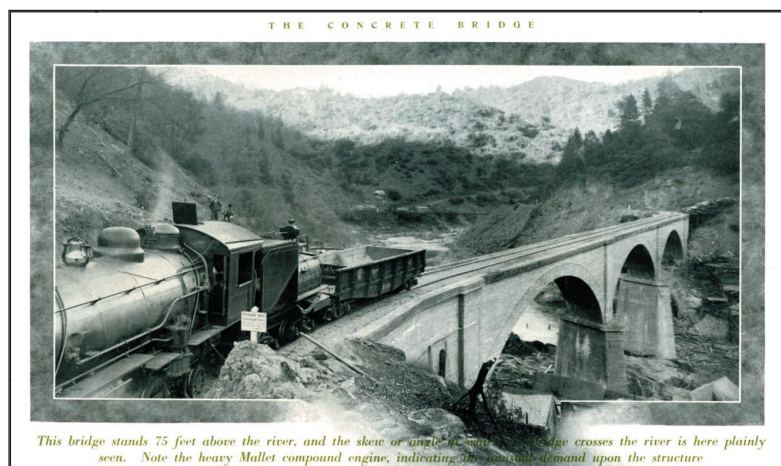

Mt. Quarries Railroad (MQRR) 100 Year Anniversary Finale Event will feature the last remaining MQRR engine, the 202, on the bridge. A historic event, not to be missed!

The official program starts on the bridge at 1 p.m.

Program includes a wrap up of the anniversary year, status on the historic designation for the Mt. Quarries Railroad and Mine, and presentations to those who helped make the anniversary a success. Refreshments will be served.

Access to the event will be from the Confluence Area (off Hwy. 49) to the MQRR Bridge, about a 1/4 mile walk. A shuttle will be available for those needing assistance.
