

Want to get those trains out of the attic and out in the garden Or do you just feel like heading for the nearest train/hobby shop to get a starter set? Do you long to hear that "ALL 'BOARD", the clanging of the bell, the whistle and the steam? Then join SJGRS and we'll help you get started. We love kids of all ages as long as they love trains. Fill out the form below, pay your dues and the whole family will begin a hobby that will keep a smile on your faces for years to come

You do not have to have a garden railroad or train layout to belong to South Jersey Garden Railroad Society.

Dues includes a new member package, calendar/directory and a monthly newsletter.

COME JOIN THE FUN

SJGRS was started in 1994 with four families (a small but enthusiastic train group) getting together to talk about setting up outside layouts. Over the years, we have interested new members in getting their train out in the garden.

We meet 8 – 10 times a year at each others homes to socialize and run trains, copy ideas and learn about this wonderful hobby.

You do not have to have a layout to join our club. We are here to help you get started. We invite you to join us to participate in train shows and other events.

When you join, you will receive a new member's package, that includes: a current directory, a current newsletter, and a calendar of shows and events. We also include, name tags and some general information about railroading.

We participate in shows throughout the year. In early spring, we have an annual luncheon at a local restaurant. We have families all over South Jersey and Pennsylvania.

**WE PARTICIPATE IN
TRAIN SHOWS**

Our biggest show is on the Ocean City Music Pier the first weekend in December. We also are invited to Green Planet Nursery in the spring.

**WE ORGANIZE A SPRING
GARDEN RAILWAYS TOUR**

Each spring (June) we organize a tour of members' garden layouts. This tour is free to the public. The tour is set up as a series of open houses. The map of the tour is posted on our web site.
