Our program will be presented by Society Member Geno Dailey covering a cross-country Amtrak trip he completed last month and will feature photos and commentary covering trips on six Amtrak trains including the Lake Shore Limited, Capitol Limited, Southwest Chief (2x), City Of New Orleans, and the Sunset Limited. Among the highlights will be visits to Cedar Point Amusement Park, Railfanning At Chicago's Roosevelt Road, A visit to the new La Plata Lookout Point Park that's under construction in Silver Rails Country in La Plata, MO (that will also be the new home of the Exhibition Of Amtrak History) as well as a visit to a cosmetically restored former Santa Fe EMD SD40 in Marceline, MO. We will also do some Southern California railfanning in Fullerton, San Clemente and Del Mar. This was one absolutely incredible journey through our beautiful country that you won't want to miss!

40th Annual WNYRHS Toy & Train Show

The show is on for this coming weekend, Saturday & Sunday, November 20th & 21st. According to Show Chairman Art Toale there are currently 350 tables sold. Five layouts- 2H-O, 1N, 1O and 1S have committed to set up and Queen City Amusements will be there with their carnival layout. Williamsville L.V. depot is ready to go with the ever popular basket raffle. Speakers and demonstrators are lined up for both days of the event.

As always, volunteers are needed to take tickets, staff the Society tables and help with set up and tear down the tables. If you can help out, even if it is for just a couple of hours, call Art Toale at 716-837-1791.

On the December 1st, a full Railway Flyer, detailing the happenings of the past year is going to the printers. It has been a strange, yet productive year as we navigate the new "normal." Remember, it is also time to renew dues for 2021 and a special mailing will be sent to all members as well.
