## Seeing America on Amtrak

Our March Public Meeting will be held on Thursday March 15th, 2018 at the Don Owens Center on the Heritage Discovery Campus located at 100 Lee Street in the City of Buffalo. The building is located between Elk Street and South Park Avenue. It is easily accessible from the Thruway. Just use the Smith Street exit off the 190. Turn South on Smith, at Elk St turn left, then right on Lee St. Pull through the gate into the building parking lot. Use the rear entrance. There is ample free parking and the meeting which starts at 7:00pm, is open to the general public. Guests are always welcome.

Our March program will be presented by Society member Geno Dailey covering a cross-country Amtrak trip he completed in October 2017. The following Amtrak routes will be covered in this program: The Lake Shore Limited, Texas Eagle, Heartland Flyer, Sunset Limited, & Coast Starlight. This trip was essentially the "long way" to San Francisco with a few stops along the way! The program will also cover railfanning at Chicago's Roosevelt Road as well as photos of Amtrak's Coast Starlight at Morgan Hill & Salinas, CA along with some night photography as well. This will be a great story about America and a program you won't want to miss!
