Our March program will be presented by Society member Geno Dailey covering a cross-country Amtrak trip he completed in October 2018. This program will cover riding a total of seven Amtrak trains including the Lake Shore Limited, Capitol Limited (2x), Southwest Chief (2x), Coast Starlight and Pacific Surfliner. Among the many destinations on this trip, we will travel to our nation's capital of Washington, DC to see night photography of some of our beautiful National Monuments including the World War II Memorial, Lincoln Memorial, Vietnam Veterans Memorial, Washington Monument and more! Amtrak Railfanning at Chicago's Roosevelt Road will also be included along with a visit to Silver Rails Country in La Plata, MO which is home of the La Plata Rail Look-out and the Exhibition Of Amtrak History. The Exhibition is built inside two former Amtrak Material Handling Cars and covers the rich history of our nation's passenger railroad. Also included will be railfanning in various locations throughout Southern California including Santa Barbara, Fullerton, Torrey Pines State Beach, and San Diego. Another great story about America, seeing and experiencing our beautiful nation by rail awaits you with this program!

We hope to see you at the meeting...
